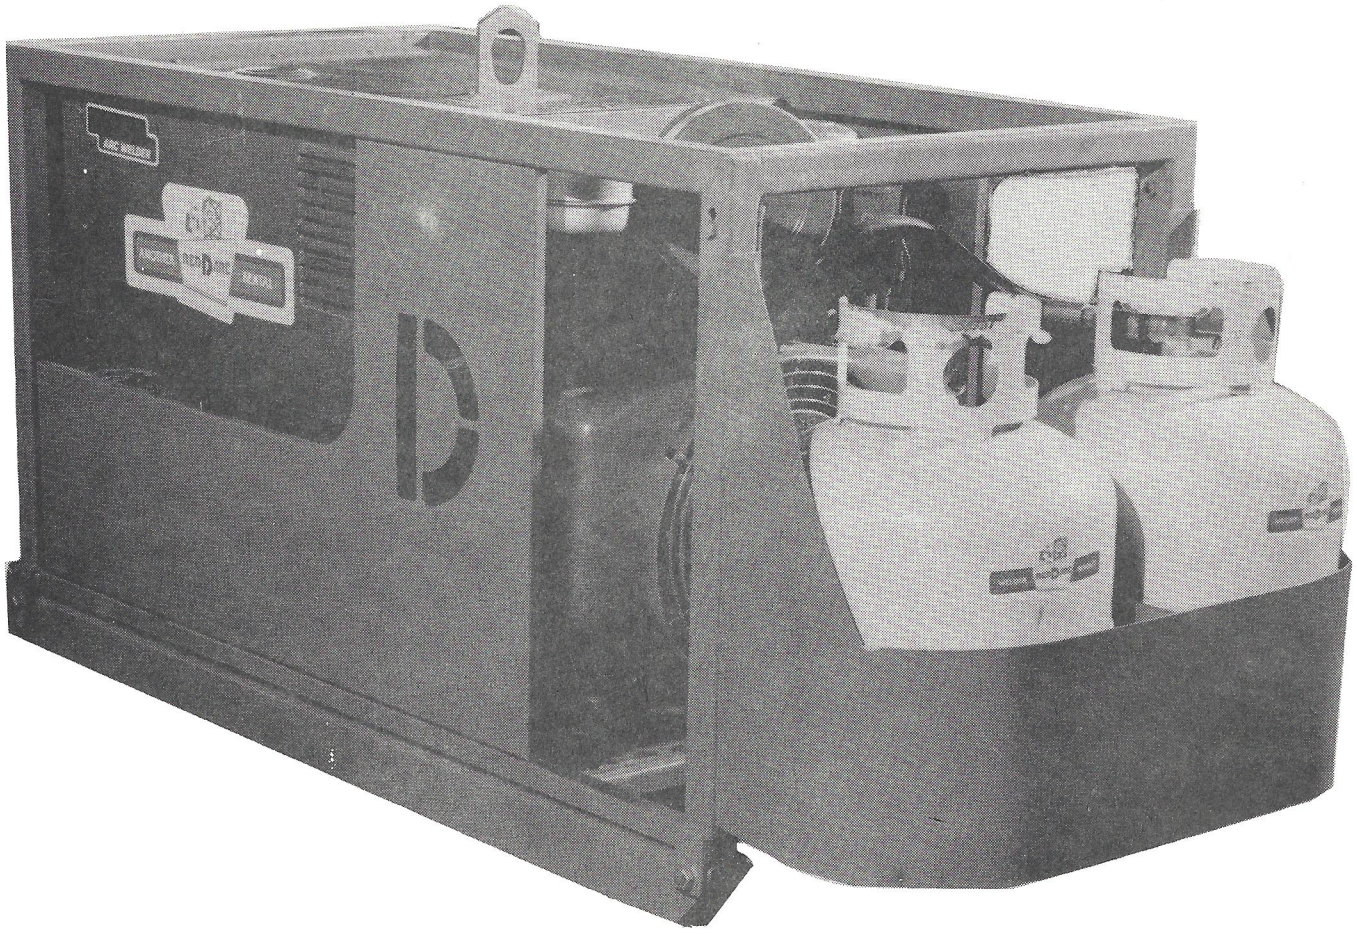
ANOTHER RED D ARC LIMITED RENTAL

"PROPANE WELDER"

MODEL: K-1192 L.P.G. WELDER



DC ARC WELDER — 225 amps. Heat enough to handle 3/16" general purpose mild steel electrodes and the 5/32" sizes of all types.

AC POWER GENERATOR — 3000 watts, 115 volts*, 50 hertz, continuous duty. Plenty of power for lights and tools needed at field welding sites.

"FUEL SAVER"
